There are lots of grown-ups at our school. Everybody is very kind and friendly and looking forward to meeting you! If you don't know what to do or where to go just ask a grown-up.

The little playground

This playground is just for children in Reception. We play here during the day, at playtime and at lunchtime. We have a sandpit, a mud kitchen, a digging pit, a water tray, a water wall, a stage, a climbing frame, scooters and lots more!

The big playground

This is the big playground.
When it's sunny we might do P.E out here. There is a timber trail we can use and a big field to run around on.

Out and about at school

At school we have a pond where lots of frogs live. We also have a peace garden where we can go at playtime if we want somewhere quiet to sit. We go in the learning lodge at playtime and when we come outside to learn.

Our Classroom

We have a big, bright classroom where we play and learn. We have lots of toys, like lego, cars, mobilo, puzzles and a dolls house. We also have a sensory play area, role play area, and creative table where we make things and cosy reading corner for looking at books.

Other important places

Children in Reception have their own toilets. There are lots of coat pegs in the corridor where we put our coats, book bags and PE bags.

Other places around our school

There are lots of other places to explore at our school. We have a beautiful library and a big hall where we do P.E, have lunch and go for collective worship.
