Staff are responsible for ensuring that they collect and store any personal data in accordance with this policy. Staff must also inform the school of any changes to their personal data, such as a change of address.

## 9. Privacy/fair processing notice

Any staff member wishing to see a copy of information about them that the academy holds should contact the headteacher.

## 10. Subject access requests

Under the Data Protection Act 2018, pupils have a right to request access to information the academy holds about them. This is known as a subject access request.

Subject access requests must be submitted in writing, either by letter, email or fax. Requests should include:

- The pupil's name
- A correspondence address
- A contact number and email address
- Details about the information requested

The academy will not reveal the following information in response to subject access requests:

- Information that might cause serious harm to the physical or mental health of the pupil or another individual
- Information that would reveal that the child is at risk of abuse, where disclosure of that information would not be in the child's best interests
- Information contained in adoption and parental order records
- Certain information given to a court in proceedings concerning the child

Subject access requests for all or part of the pupil's educational record will be provided within 15 school days. Please note that Holy Trinity Academy will not be able to comply with any subject access requests made near or during the Easter holiday, Christmas holiday or Summer holiday.

The academy will not share any child protection or safeguarding information. We will bear in mind guidance issued from time to time from the Information Commissioner's Office (the organisation that upholds information rights).

## 12. Storage of records

- Paper-based records and portable electronic devices, such as laptops and hard drives, that contain personal information are kept under lock and key when not in use
- Papers containing confidential personal information should not be left on office and classroom desks, on staffroom tables or pinned to noticeboards where there is general access
- Where personal information needs to be taken off site (in paper or electronic form), staff must sign it in and out from the school office
- Passwords that are at least 8 characters long containing letters and numbers are used to access school computers, laptops and other electronic devices. Staff and pupils are reminded to change their passwords at regular intervals

- Encryption software is used to protect all portable devices and removable media, such as laptops and USB devices
- Staff, pupils or governors who store personal information on their personal devices are expected to follow the same security procedures for school-owned equipment

### 13. Disposal of records

Personal information that is no longer needed, or has become inaccurate or out of date, is disposed of securely.

For example, we will shred or incinerate paper-based records, and override electronic files. We may also use an outside company to safely dispose of electronic records.

### 14. Training

Our staff and governors are provided with data protection training as part of their induction process.

Data protection will also form part of continuing professional development, where changes to legislation or the school's processes make it necessary.

### 15. The General Data Protection Regulation

We will review working practices when this new legislation takes effect and provide training to members of staff and governors where appropriate.

### 16. Monitoring arrangements

The headteacher is responsible for monitoring and reviewing this policy.

The headteacher, Data Protection Officer (DPO) and designated Data Protection Governor check that the academy complies with this policy by, among other things, reviewing school records every twelve months. This information is then fed back to the governing body.

This document will be reviewed when the General Data Protection Regulation comes into force, and then **every 2 years**.

At every review, the policy will be shared with the governing board.
