

HOLY TRINITY C of E ACADEMY

Dear Parents/Carer

This short letter accompanies the SIAMS report (Statutory Inspection of Anglican and Methodist Schools) of our inspection on Thursday 1st December.

The overall judgement is that we are an outstanding church school. This is a real testament to the hard work and dedication of all who work at Holy Trinity. The SIAMS framework is extremely challenging, indeed many schools and academies have dropped down a grading from their previous SIAS inspection.

The strength of this academy lies in its staff, its curious learners and a fantastically supportive parent and governing body. Many of the issues highlighted in the report are areas that we are already working on and seeking to strengthen.

Holy Trinity is an amazing place to work and learn. The report has really identified what makes this academy special; it is what we all do every day.

'We are all special and we all matter. Jesus helps us to make the right choices. God looks after us and we look after each other.' These are not mere words, but lived out in action by the whole school family.

Many thanks for your continued support. It is very appreciated.
