## Diocesan Inspection of Schools.

Inspector's Report of Trinity Caine School all Department S  
 Deanery of Avebury Inspected Nov. 5 th. 19 42.

There is a strong devotional atmosphere throughout the school which is noticeable in both the prayers & lessons. In the infant Department God is taught as part of daily life & this appears to be remembered in other groups. The Bible is well applied to the teaching of the church & prayer book teaching is well imparted.

The teachers take great pains in lesson preparation & the children are extremely keen. The upper group think things well out for themselves.  
 This school is obviously a pillar of church life in the town.

Signed Richard Seecombe  
 Assistant Diocesan Inspector.

This Report should be entered in the Log Book.
