### **ACADEMY PROSPECTUS**

Dear Parents,

Welcome to Holy Trinity Church of England Academy. We were previously a Church of England voluntary aided school, but we were an early converter to academy status on 1<sup>st</sup> May 2012. This prospectus is provided to supply important basic information about the school.

You will be reading this prospectus because you are concerned to find the right school or academy for your child. This involves important decisions and careful, considered thinking. We hope that the following notes will be of help and will answer most of the obvious questions. Please feel free to contact or visit Holy Trinity for any further information. A look around is always the best way to understand the academy, although there is plenty of information on our website.

We welcome close communication with parents and value your support. By working together, we can provide a happy and stimulating environment for your child, which will promote learning, initiative, self-discipline and responsibility, both within school and the wider community. We place strong emphasis on encouraging each child to achieve his/her full potential in a caring Christian community.

We hope that your child will find schooldays enjoyable and rewarding - a time to be remembered and valued.

Please keep this prospectus for future reference.

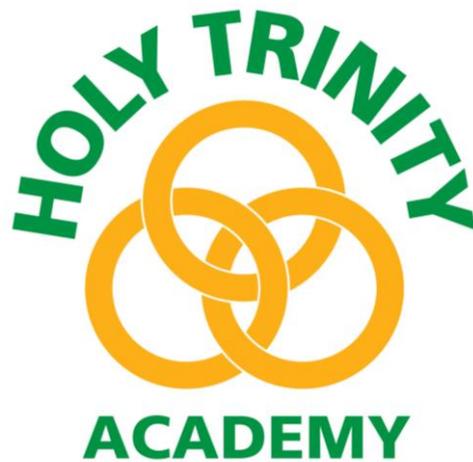

Yours sincerely,

Graham Shore  
Headteacher.

### **Academy Status**

Holy Trinity is a mixed primary academy. As a church academy, we enjoy a close relationship with the local Anglican community and with the Diocese of Salisbury. The spiritual, religious and moral nurture of the children reflects this relationship.

We accept boys and girls at the beginning of the academic year in which they are five. Please see the separate admissions policy for further details. Transfer within the maintained sector is mostly to The John Bentley School in Calne, although some of our children go on to other secondary schools/academies in the area.

### **Absences From the Academy**

If your child needs to miss school, please come to reception and pick up a 'Request for Leave of Absence' form. These are kept in a dispenser in the reception foyer and are usually printed on blue paper. Please fill in the form and return it to the staff at reception. Forms can also be downloaded from the academy's website.

We routinely authorise children's absence for medical/dental reasons, days of religious observance, and family reasons such as bereavement.

We are only allowed to authorise absence during term time in exceptional circumstances and specifically not because holidays are cheaper or the weather is better. Holidays will not be authorised.

If parents take their children out of school without the academy's authorisation, the days are recorded as 'unauthorised' absences. The Local Authority issues fixed penalty notice fines to parents of children who have five or more days' unauthorised absence in a six-month period.

Please note that attendance at school is not compulsory until children turn five.

If the academy is closed due to emergency conditions, parents who have let the academy have their email details will receive an email. The information will also be added to the news feed on our website: [www.holytrinitycalne.co.uk](http://www.holytrinitycalne.co.uk). There is a 'Snow and Bad Weather' tab on the Parents' icon for any additional information.

## **THE CURRICULUM**

### **Under Fives**

The curriculum for under fives (Foundation Stage 2) is based on the nationally agreed Foundation Stage Curriculum (Revised for 2012). Children are involved in carefully planned activities related to the following areas of learning:

- Communication and Language
- Physical development
- Personal, Social and Emotional development
- Literacy
- Mathematics
- Understanding of the world
- Expressive Arts and Design

This takes place in the context of a church academy where spiritual learning is also highly valued. The Academy places high value on good levels of staffing for under fives and employs full time teaching assistant support in the Reception class and throughout Key Stage 1. Children are encouraged to be as independent as possible, by for example, self-registration and dressing themselves for physical education. The under-fives curriculum is designed to prepare children for the national curriculum from the start of Year 1.

### **The National Curriculum**

The academy's Curriculum Offer is available to download on our website for parents who would like to more information (please select the 'policies' tab on the downloads menu).

During an average school week, the hours spent teaching, including religious education, but excluding daily collective worship, registration and lunch and other breaks are 21 hours and 40 minutes for Key Stage 1, and 23 hours for Key Stage 2.

In accordance with the National Curriculum, the following subjects are taught throughout the academy:

#### **Core subjects**

- English
- Religious Education
- Science
- Mathematics
- Computing

## **Foundation subjects**

Art  
Design and Technology  
Music  
History  
Geography  
Physical Education  
Personal, Social and Health Education and Citizenship  
Modern Foreign Languages at Key Stage 2

The academy follows national guidelines and provides daily English and mathematics lessons. All work is carefully matched to the child's ability. For some activities, pupils are grouped together, according to ability and in others according to friendship.

There is statutory assessment of children in English and mathematics on entry, at the end of reception year, in Year 1 (phonics screening), Year 2 and Year 6. Parents will be notified of their child's progress and attainment in these tests. Parents also receive an annual report on their child's attainment and progress.

## **Cross Curricular Learning**

Wherever possible, learning is linked across subjects. Children are given opportunities to apply skills learned in other subjects and encouraged to see the links between different areas of learning. In this way, they readily see the practical value of their learning and they are interested and stimulated into wanting to find out and to learn. Children's learning is carefully recorded to ensure continuity throughout the academy. Children are encouraged to continue their learning outside of school by carrying out further research into school topics.

The academy's curriculum is carefully designed to make the most of cross curricular learning and is also rooted in the local area and the opportunities it provides.

## **Educational Visits**

All classes go on at least one visit outside of school each year, and usually more. These are invaluable in giving children first-hand experience and encouraging active learning.

These are examples of educational visits during the 2018-19 academic year.

Reception: Roves Farm (£14.70 – 2017-18)

Year 1: Farleigh Hungerford Castle (castle topic) (£12.50 -2016-17 price)

Year 2: Museum of Cosume (art) and Avebury (history topic)

Year 3: Chedworth Roman Villa (£15 -2017-18 price)

Year 4: Oxenwood Residential\* 3-day visit (£150 -2019-20 price)

Year 5: Cadbury World (Geography/PSHE link) (£22.50 -2019-20)

Year 6: Beacon Residential 5-day visit (£280 -2019-20 price)

\*A decision has not been made about the predicted closure of Oxenwood.

Year 6 also attend the Leavers' celebration event at Salisbury Cathedral each July. In 2018 we were unable to go, as it coincided with the Year 6 residential.

The academy needs to cover its costs. If you find it difficult to pay for these trips, please make an appointment to speak confidentially to the Headteacher.

Parents/carers can pay in small amounts or be given longer to pay; we will be unable to guarantee that the trips will go ahead if we have not received all monies.

## **Learning Skills**

Holy Trinity places great emphasis on teaching the skills that children require to be independent learners. We are preparing them for lifelong learning in an ever-changing world, where knowledge is doubling every few years and the things we learned 10 years ago are often now irrelevant. In the past, success in school has often meant success in life, but this is less and less certain. Being a good learner is more important now than ever.

At Holy Trinity Academy, we want all learners to leave our care with a well-developed love of learning and a strong moral core of Christian values. Our subject leaders have designed and continue to adapt a bespoke curriculum which celebrates the local identity of the academy and prepares our children for the rigours of life in the twenty-first century.

We are constantly developing innovative ways of giving the pupils opportunities to develop and enhance their key English and Mathematics skills across the curriculum. Many subject areas are taught in a cross-curricular way through topics, but there are times when key subject-specific skills need to be imparted to the children. Staff are eager to create 'touchstone' moments for the children through topic-themed days and weeks, which bring learning alive.

We always look to make the learning as meaningful as possible and related to the real world, by giving the pupils hands-on experiences and the chance to meet people and visit new locations to enhance their learning experiences. Learners at Holy Trinity have a developed understanding and empathy with their local, national and global communities.

## **How is the curriculum organised?**

In their first year in school, children will follow the Foundation Stage Curriculum. Those who have attended a pre-school setting will already have started working towards the 'Early Learning Goals'. We aim to develop the children's curiosity and capacity to innovate as independent thinkers and learners, through a balance of teacher-directed and independent learning opportunities.

During their time at Holy Trinity, children are taught in a variety of ways. Some children may work individually or in small groups with extra support, either inside or outside the classroom, to support specific SEND (Special Education Needs & Disabilities) targets.

## **Breakfast Club**

Breakfast Club runs each morning before school. If you would like your child to come to Breakfast Club from 7.30am the cost will be £3.50 for childcare or £4.50 to include breakfast.

If you wish your child to come to Breakfast Club from 8am, the cost will be £2.50 for childcare or £3.50 to include breakfast.

Breakfast consists of fruit juice (not squash), toast with Marmite, jam, honey etc. and many kinds of cereal.

You do not have to book in advance for your child, you are welcome to just turn up on an ad-hoc basis. Payment must be made on the day or in advance please.

There are two flat rates; one from 7.30am to 7.59am and the other from 8am. We have spoken to a number of providers and this is how they separate different users. If you do not wish to pay the early costs, please ensure that your child is not lining up outside the Breakfast Club door before 8am. This will avoid any misunderstanding.

### **Extra-Curricular Activities**

Various clubs meet after school and at break times. The list changes according to season but may include such activities as choir, art, recorders, netball, football, crafts, gymnastics, multi-sports, science, tag rugby and languages. The range of clubs is limited by the available space, time and adults.

### **Community Links**

The academy has a close relationship with the Anglican Church and the church communities in Calne and uses Holy Trinity Church and St Mary's Church for services and festivals.

We raise funds for local charities, and we invite groups and individuals to share their experiences with us. Through governors and parents, the academy has connections with industry, which has enabled us to enhance our computers, sports and other equipment, and also the school premises. Holy Trinity takes part in community events such as the annual Remembrance Day service and the lantern parade. Events such as the Summer Fete, and Friends fundraising activities are open to all and are supported by individuals and local businesses.

### **Secondary Liaison**

Most pupils transfer to The John Bentley School at the end of Year 6, although every year some go to Chippenham schools and a few to the independent sector. During Year 6 the pupils spend several days at The John Bentley School accompanied by the class teacher, which allows them to begin to familiarise themselves with the geography of the school and secondary school life. In the summer term the pupils spend a further day at John Bentley working in their Year 7 tutor groups.

## **SCHOOL DINNERS**

Hot school dinners are provided by Sue Brady Catering, from Marlborough. This firm have been in business for 15 years and provide lunches to many of the schools in the area. All their meat is sourced from Sumbler's Butchers, Marlborough, fish from M & J Seafood and fruit and vegetables are as local and seasonal as possible. We have been very impressed by the quality of the food. Food is cooked at the company's kitchens in Marlborough and delivered to the school each day in heated boxes.

The cost of a dinner is currently £2.50, but all children in Reception class, Year 1 and Year 2 are entitled to a free meal. Parents can still send their children with a packed lunch if they wish.

The ordering system works like this:

1. See the menu / order form 2 weeks in advance – menus are sent home as paper copies and can also be printed from the company website [www.suebradycatering.com](http://www.suebradycatering.com) . You can also order online until midday on Wednesday of the week before you want the lunch.
2. On the menu, tick the option you would like each day. Any days that you don't want school lunch, leave blank. Fill in your child's name and class (you need only do this once on each form).
3. Send the order form into school by 9.00 on Thursday of **the week before** you want the lunch, **with the payment** – **cheques or cash only, please – no cheques under £7.50**. One cheque per family.
4. If your child is off sick, phone the company (Tel No 01672 519200) by 9.00 am and you can have a credit for another week. Please clearly mark the following week's order form with your name and the date that your credit was for.

**PLEASE NOTE** that no meals will be provided if they have not been paid for in advance, by lunchtime on Thursday of the previous week. Children will **not** be able to bring money on the day and have a school meal, and if you forget to pay there will not be any food.

## **Children eligible for free school meals**

The ordering process will be exactly the same for children who have free school meals. Just mark what you want on the menu, but don't include payment. We have a list of those families claiming free meals and we will send payment for them. If you do claim free meals it is important that you keep your claim up to date, otherwise we won't be able to pay for them.

## **Are you eligible for free school meals?**

The answer is Yes for Children whose parents or carers are in receipt of one of the following:

- Income Support
- income-based Jobseeker's Allowance
- an income-related employment and support allowance
- Child Tax Credit and have an annual income that does not exceed £16,190 as assessed by HMRC.
- the guaranteed element of State Pension Credit

Please call at the school office to collect a free school meals claim form. Do this well in advance because the benefit cannot be backdated.

**FREE SCHOOL MEALS ALSO MEANS PUPIL PREMIUM.** If you meet the criteria above for free meals then the school will also receive £1200 per year of pupil premium money. This is used to ensure that your child does not fall behind others in school. But you **MUST** let us know. Now that school dinners are free for younger children we have no other way of telling if you're eligible for pupil premium.

### **School Lunches - FAQ**

#### **Is there a vegetarian option?**

Yes - always. The vegetarian options follow the main option as closely as possible, e.g. using quorn instead of meat in a lasagne.

#### **What about other special dietary requirements?**

These are all catered for. Please write your requirements clearly on the order form e.g. "Gluten free please".

I hope that this gives you all the information that you need. If you have any other queries, please ask at the office.

Initially we will send out menus to all children, so that you can see the food on offer. As time passes we will get to know the 'regulars' and will only send menus to them. You will always be able to pick a menu up from the school office or print one off from the company website.

## Dear parent/carer

This letter explains why we will need to ask for your consent before we are able to take photographs of your child during their time at Holy Trinity CofE Academy.

Generally photographs are a source of pleasure and pride. We believe that the taking and use of photographs can enhance the self-esteem of children and their families and therefore is something to be welcomed and appreciated.

We may take photographs for a number of reasons whilst your child is with us, including:

- documenting and recording education activities
- recording their learning and development progress
- recording and celebrating special events and achievements

We will also encourage children to be active learners, and to become involved in using cameras themselves by taking photos of their surroundings, activities and of each other.

We do however recognise that with the increased use of technologies, particularly digitally and online, the potential for misuse has become greater and we understand that this can give rise to concern. We will therefore endeavour to put effective safeguards in place to protect children and young people by minimising risk.

We are mindful of the fact that some families may have reasons why protecting a child's identity is a matter of particular anxiety. If you have special circumstances either now or at any time in the future which would affect your position regarding consent, please let us know immediately in writing.

We have a specific policy regarding the use of images and also include the safe use of mobile phones and personal devices as part of our online safety policy, which you are welcome to view or take a copy of at any time.

To comply with the Data Protection Act 1988, we need your permission before we can photograph or make any recordings of your child. If your child is old enough to express their own view, you may want to consult with them about categories of consent, and we invite you to use this letter to explore their feelings about being photographed at the setting.

Please read and complete the attached forms and do not hesitate to contact me should you have any queries.

Yours sincerely

Graham Shore  
Headteacher
