## Chinese New Year

Dear Parents,

Next week children will be learning about Chinese New Year which, this year, falls on Thursday 7<sup>th</sup> February. We have lots of exciting activities planned, including a Chinese Lion dance, making dragons and trying Chinese food. We would like to put some photographs on the school website, so if you are happy for us to use images of your child, please tick the box below.

For the food tasting, children will be given the opportunity to try noodles, stir fried vegetables in a sweet and sour sauce and prawn crackers. **If you would like your child to take part in this activity please complete the slip below and return it to me by Tuesday 5<sup>th</sup> February.** If there are any foods your child needs to avoid due to allergy please note these on the slip below also.

From experience I understand that some children can be reluctant to try new foods and therefore they will not be put under any pressure to try the Chinese food if they definitely don't want to. However, watching their friends and having the chance to use chop-sticks might be just the encouragement some need!

Please speak to me if you have any questions.

Kind regards,

Miss England
