13.2.19

Dear Parents,

We are having a great International Creative Arts week! Our exhibition of the children's work from the week will take place tomorrow, on Thursday 14th February, from 2.45pm to 4pm. The ICA week pieces of art will be in classrooms (Scotland - Reception class and Year 3, Japan - Y2 and Y5 and Russia - Y4 and Y1). There will also be a film of dancing being played in the hall.

On arrival at school, at 2.45pm, please wait at the Breakfast club door. There will be a bucket situated by the door for parents to make a donation towards the cost of International Creative Arts week. Then, please collect your child from their classroom and take them around the exhibition. All children must be accompanied around the exhibition. You will then be free to take your child home. If you are collecting your child at 3.30pm, please wait in the playground as usual. You are of course then welcome to come in and visit the exhibition, with your child.

If you have any queries about the exhibition, please do not hesitate to contact me.

Yours sincerely,

Jane Brown
