

# Life Education

## Wiltshire

23<sup>rd</sup> October 2018

Dear Parent/Carer

Our school is receiving a visit by the mobile classroom of the Life Education Centre (LEC) on Wednesday 7th and Thursday 8th November 2018.

Life Education Centre (Wiltshire) Ltd is a local charity affiliated to a national charity, Coram. It is administered by a small team of volunteers mainly from local Rotary Clubs.

It is endorsed by Wiltshire Council and Wiltshire Police.

LEC provides a progressive programme, which teaches children about the wonder of their bodies, how to take care of them, and how relationships, food, drink, drugs and other substances can affect them. The specially equipped mobile classroom provides an unforgettable experience for the children, which assists our school in our health education work. The focussed, interactive, programmes are designed and varied to match each age group and ability and are presented by a specialist Educator.

To learn more about what your children will be doing we invite you to visit the Life Education mobile classroom parents' session. Your interest and support will help assure your children of a happy and secure future. You may also care to check our website [www.coramlifeeducation.org.uk](http://www.coramlifeeducation.org.uk)

This special free session for parents and carers will be held on

Thursday 8th November from 8:30 to 8:50am.

Please return the form below or contact the school if you would like more information.

Yours sincerely  
G Shore
