Dear Parents/Carers,

Smoothie making activity

As part of our 'Marvellous Me' topic, we have been learning about healthy eating choices and the children have enjoyed telling us about the fruits and vegetables they enjoy eating. Many have expressed an interest in trying some new fruits too so as the term draws to a close we are going to be making fruit smoothies and trying them if we wish to do so.

In order to comply with Covid regulations, only one group of children per day will make a smoothie. They will have their own set of utensils and equipment to use; these will then be thoroughly washed ready for the following day. There will be no sharing of equipment.

Please could you complete and return the consent slip below as soon as possible. If you have any questions or queries please do not hesitate to let me know.

Kind regards,

Mrs Chichon
