

SUE BRADY

catering for all occasions

Dear Parents

The 3 week rolling menus for advance orders for Terms 5 & 6 (Monday 24th April to Friday 21st July) are now live and ready to take your orders (closing date Friday 14th April). TD days for each individual school have been deducted from any payments due. Please remember to tick the Section 2 "Agree Terms" box before checking out from your order. If you do not have access to the internet, please request paper menus from your school office.

The fortnightly menus will be on the website from 12 noon on Friday 7th April, closing at 9 am on Friday 21st April. Please remember to return any paper orders to your school office by Wednesday 5th April.

The new second hot option of a jacket potato with various fillings introduced this term is very popular. If your child is a vegetarian, please indicate this under 'Special Diets - Other' when placing your order and a suitable vegetarian option for their chosen meal will be made for them. If your child does not like Quorn, please let us know this in the same section of your order.

Refunds for meals cancelled before 9 am will be made on a termly basis after the deduction of an admin fee of £1.00 per termly family refund. Please try and remember not to order meals when your child's school is closed.

As always, your child's enjoyment of the food we provide is of paramount importance to us and we welcome feedback and suggestions about our menus from you and your children. We always put a lot of thought into our new menus and hope the children will be pleased with the choices on offer.
