13<sup>th</sup> November 2020

Dear Parents,

## ROMAN DAY

The class topic this autumn has been the Romans and over the past few weeks the children have been busy learning lots of information and facts about how the ancient Romans used to live, what they ate and what they wore - so this is a fantastic reason for a Roman themed day! We will hold this on Wednesday 25<sup>th</sup> November. For this the children will take part in Roman activities all day and I would also like the children to come to school dressed up in Roman themed costumes.

Below are some suggestions of what the children could come dressed as:

- A Roman soldier
- A Roman god or goddess

There are lots of ideas for Roman costumes online, but please don't feel the need to pay money for costumes, homemade ones will be fine and are just needed to help the children enter into the spirit of the day and also to have some fun! They could even just make a Roman helmet to wear for the day! On the day we will be doing Roman maths and literacy in addition to Roman PE and if we have time, maybe getting to have a go at some Roman artwork too! I'm really looking forward to it and hope the children will too.

If you have any further questions, please feel free to come in and see me.  
Thanks for your support with this.

Kind regards,

*Miss Handley*
