Dear Parents,

I would like to update you about our planned residential trip to the Beacon Activity Centre, in the summer.

The Government are due to make a final decision regarding residential trips in February and The Beacon are hoping to re-open to schools in April. We are booked into the Beacon for the week beginning 7th June 2021, for a stay of four nights. We will be the only school attending at this time and therefore our 'bubble' will only be in contact with a small number of adults at the centre. It is therefore extremely safe in terms of the coronavirus and as usual, rigorous risk assessments will be carried out.

The total cost of the trip, including the coach travel, is £261. We will not be asking for instalments or full payment of this until we have confirmation from the Government in February that we can go ahead, but feel it is useful for you to know the cost so that you can budget accordingly.

We hope very much that the trip will go ahead so that the Year 6 children have this fantastic experience in their last year at Holy Trinity.

Yours sincerely,

Jane Brown
