Beacon Trip - Final arrangements

Dear Parents,

I would like to let you know of the final arrangements regarding our residential visit to The Beacon.

We will be leaving Holy Trinity at 1.00pm on Monday 24th February, so the children will not be required in school until 12.45 p.m. that day. The children should eat their lunch at home and should bring a water bottle, which can be refilled, for use during activities. The children will not need to bring any extra food, such as sweets or chocolate, but are able to bring a music player for use on the coach and in their bedroom only. They should not bring any games consoles or phones and only inexpensive cameras. The children are responsible for looking after all their belongings and so every item should be clearly named.

Each child should only be bringing items indicated on the kit list and there is no need to bring a sleeping bag/pillow, as all bedding is provided. I would be grateful if you could return the reply slip below, which gives us permission to give the children Calpol and travel sickness tablets, as required. All medicines, including travel sickness tablets for the return journey, need to be in a clearly marked container or envelope and given to Mrs. Webb before we leave on the Monday. The permission slip also refers to photographs taken on the trip.

During the trip we will be walking to Lynton and Lynmouth, where we will be using the funicular railway. This will cost each child £2.50. The children can bring a further £5.00 to spend as they wish on this day. We will collect the money for the railway on the morning of our walk.

We will be leaving the Beacon mid-morning on Friday 28th and will stop for lunch, which will be provided by the centre. We estimate that we will be back at around 2pm, however this is obviously dependent on traffic. Updates on our arrival time will be posted on the school website.

If you require any further information, please do not hesitate to contact me before the trip.

Yours sincerely,

Jane Brown
