

Breakfast Club

Due to the current situation we will be running breakfast club on a 'Book in Advance' basis. This way we are able to keep better control of numbers attending and appropriate staffing levels. We would like to start Breakfast Club from next week, but this will depend on numbers and how quickly we receive responses.

Breakfast Club is not available to Reception Class children at the present time.

If you would like to book a place, please fill in the below form and return to school, either by email to enquiries@holytrinitycalne.wilts.sch.uk or via your child (they can leave it with their teacher). **Please return by 12pm Friday 4th September at the latest.**

We will assume that you wish to keep the same space for future weeks unless you notify us via the enquiries email that you no longer require places.
