Friends Meeting Tonight 7PM in the School Library

Yikes, we are already ending week 3 of the term!!

As usual school is very busy. Our new Reception Class have now settled into full school days and enjoying their new play equipment. The roll down doors were added to the canopy play area yesterday which means they will be able to enjoy outdoor play in all weathers. There should be a piece in today's Gazette and Herald about the new reception playground.

Years 3, 4 & 5 are back to their Wednesday swimming sessions at Calne Leisure Centre. Thank you to all the parents that have volunteered to help with walking the children, we really couldn't do it without you. If you haven't already, and would like to help, please see your child's class teacher or pop into the office. Can I take this opportunity to ask that any outstanding swimming fees are paid at the office. You can pay for the whole term by cheque, cash or online. You can also pay weekly if you wish. If you need our banking details for online payments pop into the school office.

Just a little warning that Nits are on the loose. We have an information letter on the school website under the main Downloads page and would ask that everyone does a regular check of their child's hair.

Our collective Worship focus this term is:

Responsibility

Applications for Secondary School Places must be submitted by 31st October 2018

With the wet and cold weather now upon us please ensure children bring in their jumpers/cardigans and coats every day.

Choir News

Our school choir are singing with other primary schools at The John Bentley School on Friday 12th October as part of the Calne Music and Arts festival.

Last week Ursula Barham, from JBS, joined us for a rehearsal and she is coming back next week to help us prepare for the group songs.

Ursula is organising this year's school choir event. In addition to the group songs we will also be performing one of our own.

It is a lunchtime concert that parents can attend. There is usually a small charge for tickets. We will confirm details at a later date.

Mrs Innes

Many of us enjoy a sneaky game of Candy Crush, Tetris, PacMan or Solitaire in our spare moments, and the latest generation are even more into it. With games becoming more accessible across many device platforms and far more sophisticated & graphic, it's important that we know exactly what they are playing and then being able to make an informed decision on whether it's appropriate for them.

The Pan-European Game Information system or PEGI for short was established to help us make those informed decisions. The PEGI system is supported by all of the main console manufacturers. The website can be found at www.PEGI.info and is very user friendly. You can input a game title and it will give you the age rating of that game and explain the content. There is also a lot of other useful advice and tips for parents.

School Dinners

Please ensure that all School Meals are ordered online at

www.suebradycatering.com.

Meals for the coming week must be ordered online by 10AM on Fridays. If you miss the deadline then your child will need to bring a packed lunch next week.

If you are Key Stage 1 and entitled to a Free School Meal please use the code **sbc16** and you will not be charged. Please only use this code if you are in KS1 which includes RECEPTION Class, Year 1 and Year 2.

(If you are unable to order online and require school to order for you then please ask for a paper menu at the office)

Please set yourself a reminder to order meals every two weeks. We will also post a reminder on our Facebook page.

For updates, school meal reminders & general information please LIKE and keep a check on our Facebook Page

www.facebook.com/Holy-Trinity-C-of-E-Academy-Calne-180341559332458/

Please can Mr Shore have your BookClub orders by Friday (tomorrow)

Just a reminder and a note for our new parents that we have to operate a no pushchair/pram policy within the school buildings. The corridors are small, and it causes a safety risk. You are welcome to leave them under the reception class canopy in wet weather.

We still have bugs spreading around the school. Please keep your child at home while they are ill.

In the case of a tummy bug you are most infectious from when symptoms start and until 2 days after they have passed, so please adhere to the 48 hour rule.

National Child Measurement Programme

Please can we have all forms returned from Years 6 and Reception Class ASAP.

There will not be a guitar lesson on October 11th

Diary Dates for the Autumn Term
