A Partridge in a Pear Tree

LANTERN PARADE

At the parade this year, as well as individual lanterns, there will be larger ones themed around the Twelve Days of Christmas. Our school contribution is 'A Partridge in a Pear Tree' which some of our Art Club children have made along with help from Miss Beer and Mrs Hutchings.

Keep a look out for this wonderful creation and Thank you to everyone that helped in its making.

We are pleased to announce that Miss England is expecting a baby next April. She will be commencing her maternity leave after February half term.

We will let you know who will be teaching Reception class during Miss England's maternity leave when we have appointed someone in the New Year.

KS1 Christmas Performance *It's a Party*

Letters have gone home about the KS1 Christmas performance. Due to space and safety we will initially allocate **2 tickets per family (not per child)**. Please ensure that your ticket request slips are back to us by Monday 26th November.

After allocating these initial tickets, if there are any spare, we will look at any additional ticket requests but please note that we cannot guarantee tickets.

SCHOOL GATE CLOSURE

For health and safety reasons, the school gate will be locked promptly at 9am every morning from now on. Please ensure that you have vacated the school playground by this time.

If you should be late, please bring your child to the school office and they will be escorted to class and registered from there by a member of staff.

School Dinners From Sue Brady

You can order for a whole term in advance on the Sue Brady website from this Friday. Please consider using this option so that you don't need to remember to order every week. The term time or SEASON menus will be open from tomorrow (23rd) and will close on Wed 2nd January at 10am. If you miss this deadline then you can still order online weekly and should sign up for the email reminder system on Sue Bradys website. Please also view the last page of this newsletter for details on Christmas Dinner ordering this year.

We have children with Nut Allergies in school.

This could manifest through ingestion or touch & could lead to a severe reaction. It is very important to let your child's teacher know if your child has brought in any foodstuffs that contain nuts including Nutella snacks or nut spreads.
