Due to Covid-19 restrictions we are unable to hold on site meetings and therefore your appointment will be held via video call using a new online platform called School Cloud. Parents can use mobile phones, tablets or laptops to do this.

In order to book an appointment, please log in at <https://holotrinity.schoolcloud.co.uk/> and select the day and time that you would like (appointments can be made from now until Friday 16th October).

Should you wish to make any changes after this date or you are unable to log in please emailing enquiries@holotrinitycalne.wilts.sch.uk

<https://www.holytrinitycalne.co.uk/>

You are only able to book one appointment per child. For any families where parents are unable to attend together, we will hold a catch-up evening at a later date.
