

Holy Trinity News

22nd May 2020

James (year 5) has been busy making edible dominoes. An activity from the Pick & Mix home learning sheet. They look delicious.

From School

As part of the Year 5 Aztec topic, Freya has been working on an embroidery project. It is her very own design, which is based on a photo that she saw whilst researching the Aztecs. We hope to see the finished masterpiece.

Young people can go missing for a number of different reasons. If you have concerns about a child's whereabouts, please do not hesitate to contact us. In an emergency, always call 999.

A safeguarding message from Wiltshire Police Public Protection Department

The current restrictions on our daily lives will no doubt be more difficult for some more than others and we understand that people of all ages may be struggling to cope.

While the need to stay at home is crucial, we know that on occasion people do go missing. If your child, or a child you know has gone missing, and you have genuine concerns about their welfare, do not delay in reporting concerns to police. You will not be fined/prosecuted under Covid-19 powers for carrying out any reasonable enquiries to find them yourselves. Our officers will do all that they can to understand individual circumstances and provide support where needed.

Always call 999 in an emergency.

If you need help and want to speak to someone, Missing People charity is available 24/7 – call 116 000, text 116 000 or chat online via www.runawayhelpline.org.uk

Please email your pictures to enquiries@holytrinitycalne.wilts.sch.uk

It could be a photo of artwork, your latest baking project, a cartoon, portrait of your teacher, picture of your pet, a poem, a letter to your school friends or even some fun puzzles for us all to try. Looking forward to seeing all your amazing work.

Situation Update

Dear Parents and Carers,

I hope you are well and staying safe.

Our plans for the **possible** reopening of Holy Trinity to Reception, Year 1 and Year 6 children can be found on the school website <https://www.holytrinitycalne.co.uk/useful-downloads/letters/> and have been emailed to all parents (who are on our email list).

If you would like to join the emailing list, please send an email to enquiries@holytrinitycalne.wilts.sch.uk

The staff would like to thank parents and carers for their support during the lockdown. It has been a real team effort.

From Monday 1st June home learning will start again. Most of the staff will return to teaching and supporting the children on site. Home learning will continue to be managed by the teachers and posted on to the website <https://www.holytrinitycalne.co.uk/home-learning/>.

We have taken the decision as a staff, that the continuation of home learning is vital for all the children in Y2, Y3, Y4 and Y5, as well as supporting those children unable to attend the school site in Reception, Year 1 and Year 6. Teachers will respond to parents' email, but it will not be as regular as it has been. We ask that parents do not send any work in. If you would like teachers to see the children's work, please could it be sent electronically.

The school office will be manned by me in a limited capacity for the foreseeable future. You can still contact the school by using the enquiries@holytrinitycalne.wilts.sch.uk and I will endeavour to respond to emails and phone messages as soon as I am able.

Thank you for your patience during this turbulent time.

Kind regards
Graham Shore
Headteacher

Staff News

We are delighted to announce that Miss Kirstyn Vines will be joining the Holy Trinity team in September as a new class teacher.

We will let you know who your child's teacher will be for the new 2020/21 academic year at the beginning of June.
