Suffix words '-ful'

Add '-ful' to the **root word** in these sentences to show that they are 'full of something'.

Remember '-ful' as a suffix only has one 'l'.

Unless the **root word** ends in 'y', no change is needed.

If the **root word** ends in 'y' drop and for an 'i' before you add the suffix.

The first two have been done for you:

|                       |                  |
|-----------------------|------------------|
| Full of <b>beauty</b> | <b>beautiful</b> |
| Full of <b>wonder</b> | <b>wonderful</b> |
| Full of <b>pain</b>   |                  |
| Full of <b>colour</b> |                  |
| Full of <b>fear</b>   |                  |
| Full of <b>care</b>   |                  |
| Full of <b>mercy</b>  |                  |

Choose the best '-ful' suffix word to fill the gaps:

1. My mum is very pretty and \_\_\_\_\_.
2. I hurt my leg and it was very \_\_\_\_\_.
3. The painting was red, blue, green and yellow. It was very \_\_\_\_\_.
4. Cold, dark nights and long shadows make me feel very \_\_\_\_\_.

Answers to gap fill: beautiful, painful, colourful, fearful

Suffix words **'-less'**

Add '-less' to the **root word** in these sentences to show that they are 'without something'.

Unless the **root word** ends in 'y', no change is needed.

If the **root word** ends in 'y' drop and for an 'i' before you add the suffix.

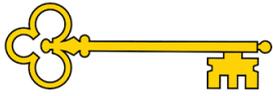

The first two have been done for you:

|                       |                  |
|-----------------------|------------------|
| Without <b>mercy</b>  | <b>merciless</b> |
| Without <b>hope</b>   | <b>hopeless</b>  |
| Without <b>pain</b>   |                  |
| Without a <b>home</b> |                  |
| Without <b>fear</b>   |                  |
| Without <b>care</b>   |                  |
| Without a <b>job</b>  |                  |

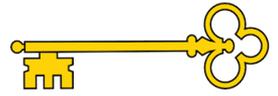

Choose the best '-less' suffix word to fill the gaps:

1. David didn't see the hole and fell into it. He was very \_\_\_\_\_.
2. Don't worry. The operation will be \_\_\_\_\_.
