SCHOOL'S  
OUT!

## Summer message

Dear Parents and Carers,

I hope you are well and staying safe. I would just like to thank you all for your support and forbearance over the last couple of years. Many schools have been less fortunate than Holy Trinity and have needed to close for periods due to positive cases and staff shortages. Our staff have been excellent in going the extra mile and covering for staff self-isolation, so that we could avoid having to close classes/bubbles - particularly in the last two weeks.

We are all hoping that Holy Trinity can return to some kind of normal in September, with an 8.45am start and 3.30pm finish for all. It will be great for the children to have Collective Worships, playtimes and lunch times together. It will be fantastic to return to Friday Celebration assemblies in which we all come together to celebrate children's achievement across and beyond the curriculum.

We have needed to react to a number of delayed announcements this year. If Government or Public Health guidance changes over the course of the summer, we will let you know at the earliest opportunity.

It has been a privilege to see our oldest children grow and develop over the past seven years. We can remember their first day - even though they say that they can't! They are all now ready to make the jump into the next stage of their education. We wish them well.

We wish everyone an enjoyable and restful summer and look forward to a return to normal school life.

Kind regards

Mr Shore
