'Lisa Thompson was the best - it made my whole day light up. She even signed my book. All the years loved her' - Freddie Year 5

Lisa Thompson

Year 4,5 and 6 had a lovely visit from Lisa Thompson this week. All enjoyed the experience and even got their own books signed by her

She very kindly sat with pupils when signing their books and had talked to them about how she became an author.

Guitar Lessons

Mr Frost wants to remind all guitar pupils that they will be having their lessons on Thursday next week.

This week in Year 2

This week in year 2 we have been learning about how to follow recipes and instructions. Year 2 devised their own recipe for making pizzas and this week the children made them in small groups in the school kitchen. Look how yummy they are! Even Mr Shore wanted to have some!

Cross Country

Some selected Y3, 4, 5 and 6s went to Biddestone on Thursday to take part in a cross-country event being held there. William in Year 6 came first in the Year 5/6 group. Amelie in Year 3 came third in Year 3/4 group. Everyone did well and it was great to hear from the adults what a credit they are to Holy Trinity.

'I just wanted pass on how unbelievably proud I was of all the children who took part in the Biddestone cross-country run on the 7th of October.

Out of all the schools present I can honestly say our pupils of Trinity shined through with their heart-warming support for each other, not only cheering on their team mates but taking it upon themselves to run along side by side of those who were struggling to complete the course. They also showed remarkable sportsmanship by cheering on other schools and showing their support for others. They are an absolute credit not only to the school but to their families - well done to all! It highlights how incredible Trinity School and its values are.'

Parking outside School

We ask all parents/guardians to be respectful of the community when parking to collect their children. We have had reports from members of the public who are concerned for the safety of everyone, including pupils. They are worried about cars blocking roads and preventing emergency services access. We ask that if you can park a bit further away and walk in that you do so. Hopefully you could get another ping for Beat the Street!
