Holy Trinity's Value this term is:

TRUTHFULNESS

This Week in Year 6

Year 6 visited the REME museum on Thursday and had a fabulous time. The REME Museum is a family-friendly military museum in Lyneham, Wiltshire. They share the story of the Royal Electrical and Mechanical Engineers.

School Christmas Lunch is on Wednesday 15th December 2021. Look out on the Sue Brady website from 26th November 2021 for more information and how to book.

This week in Year 5

Year 5 were making mountain ranges out of Modroc. Modroc is another name for plaster impregnated bandage and it can be used to make sculptures. It starts off dry, you then dip it in water and then model it.

“So, what we did was stick down some plain paper straws and then we put down some newspaper to help to structure the mountain. Next we used some mod-roc and smoothed it down carefully with our hands. Next week, we’re going to paint it and make buildings to create a snow scene. I’m looking forward to it.” *Riley in Year 5*
